website: www.greenmountainquilts.com

Materials needed to make the EASY STACK STAR 78" x 78" quilt:

FABRIC:

For block centres - 5 REPEATS OF A FEATURE LARGE PRINT FABRIC WITH MOTIFS 8" TO 12" APART (this should be between 80cm and 1. 25 metres,depending on repeat size – I used a large print with a 12" repeat – the larger the repeat the more variety you will achieve in the block centres – if in doubt ask your friendly quilt shop staff about fabrics suitable to "Stack-an-Whack" patterns).

For block backgrounds- **2 ½ metres light tone fabric**(beige in my quilt – includes ½ metre of fabric for the first 1" border)
2 metres medium-light tone fabric (tan)

For contrasting block settings - **1 ½ metres of a dark toned fabric for diamond blocks** (I used red – includes ½ metre of fabric for second 1" border **)
2 ½ metres of a dark toned fabric for star blocks (I used navy – includes 1 ½ metres for third 6" border**)

For binding*: **½ metre of dark toned fabric**

For backing*: **4 metres**

OTHER:

- **wadding* measuring at least 86" x 86"**
- **sewing machine in good working order and a ¼" foot for piecing**
- **pins, scissors, and thread**

* will not be needed during class, but will be needed to complete the quilt.
** alternatively you may wish to purchase an additional 2 metres of your block centre feature fabric to make one 8" border

All fabrics should be 100% dressweight cotton, 44"-45" (110cm) wide, and should be washed and ironed prior to the first session. I look forward to seeing you in class! Paula
